International Credit Mobility

International European University, Malta Campus offers fast and easy Credit Transfer Programs for students from around the world!

International **Transfer Students** can transfer their credits to the International European University, Malta Campus in Malta **anytime** during the academic year.

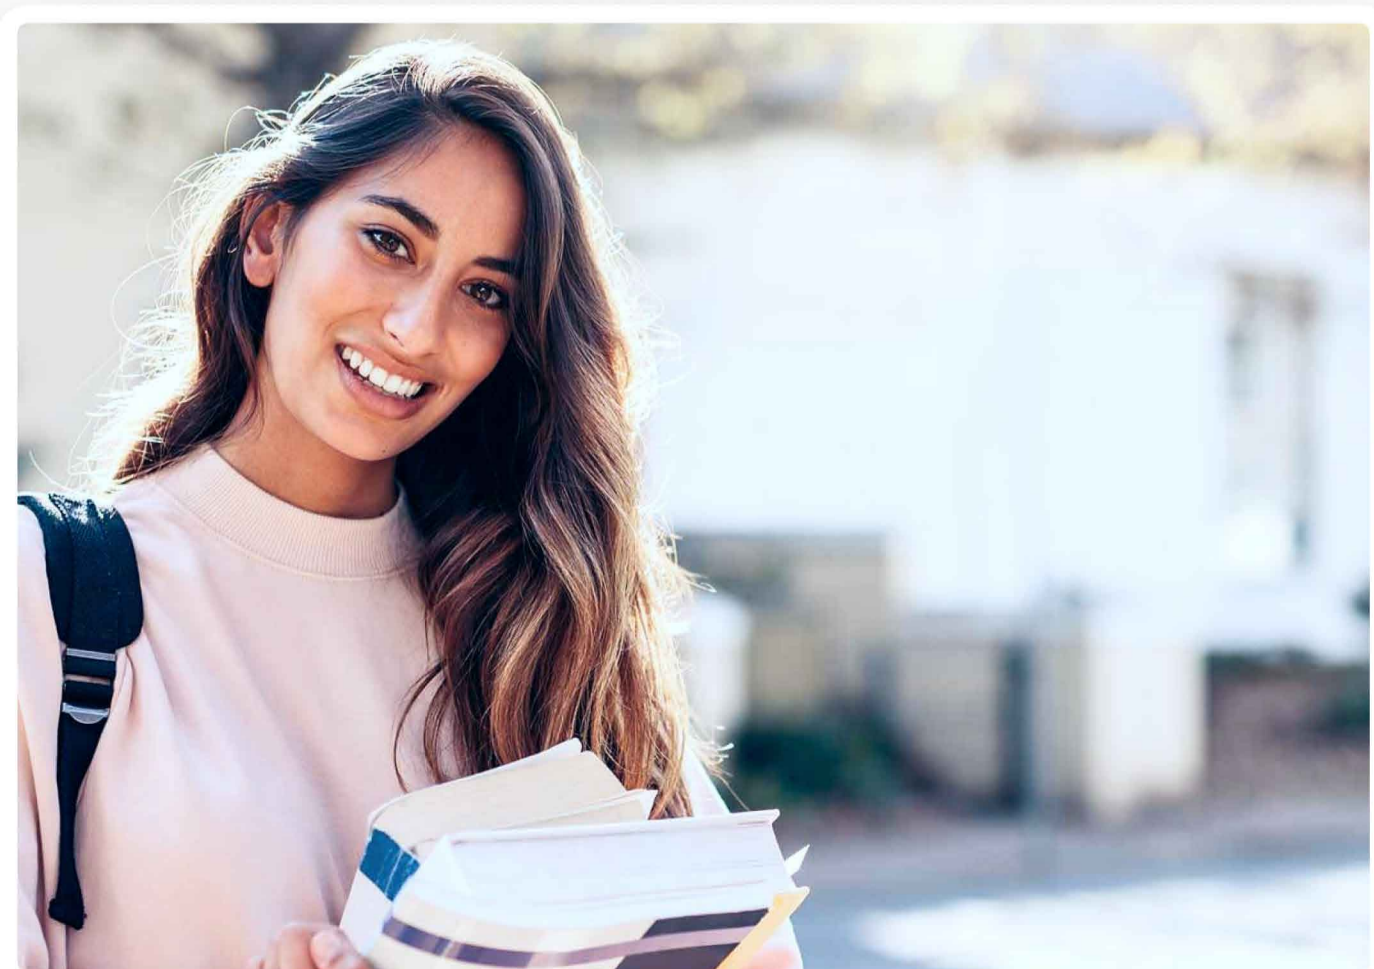

The approval of the academic transcripts takes place according to the European Credit Transfer System (ECTS).

- Credit Mobility Programs at the IEU, Malta are an excellent way for students to gain valuable international experience while earning credits towards their degree.

- As soon as we evaluate your study credits and determine which ones can be transferred - we will make it possible for you to become a part of the International European University, Malta Campus, and continue your education journey with us!

There is also an opportunity for every student to take part in **Double (Dual) Degree Programs**. The programs are available at our partner Universities in **Poland, Switzerland, Ukraine, and Slovakia**.

REMEMBER THAT ALL INTERNATIONAL STUDENTS CAN START THEIR TRANSFER PROGRAM ANYTIME DURING THE ACADEMIC YEAR!

*Malta is one of the most peaceful nations globally and has an excellent environment for international students. Malta offers an outstanding standard of education and great opportunities for job search. Malta offers a low cost of living compared to the rest of Europe. It's a perfect choice for international students seeking **adventure and beauty**.*

! There are also plenty of museums on offer where you can learn more about Maltese culture and history while enjoying some time off from exploring!

The island nation has plenty of historical sites that tell its story - from ancient temples built by Phoenicians and Romans thousands of years ago to more recent structures like Fort Rinella Battery or St Paul's Cathedral (which was built in 1633).

If you're looking for something more relaxing than museums or historical sites, then there are plenty of beaches around Malta where you can enjoy swimming in warm waters while taking in some sun rays. Or if water isn't really your thing then there are still plenty of places where visitors can go hiking through nature reserves!

Students Attractions

Language Practice

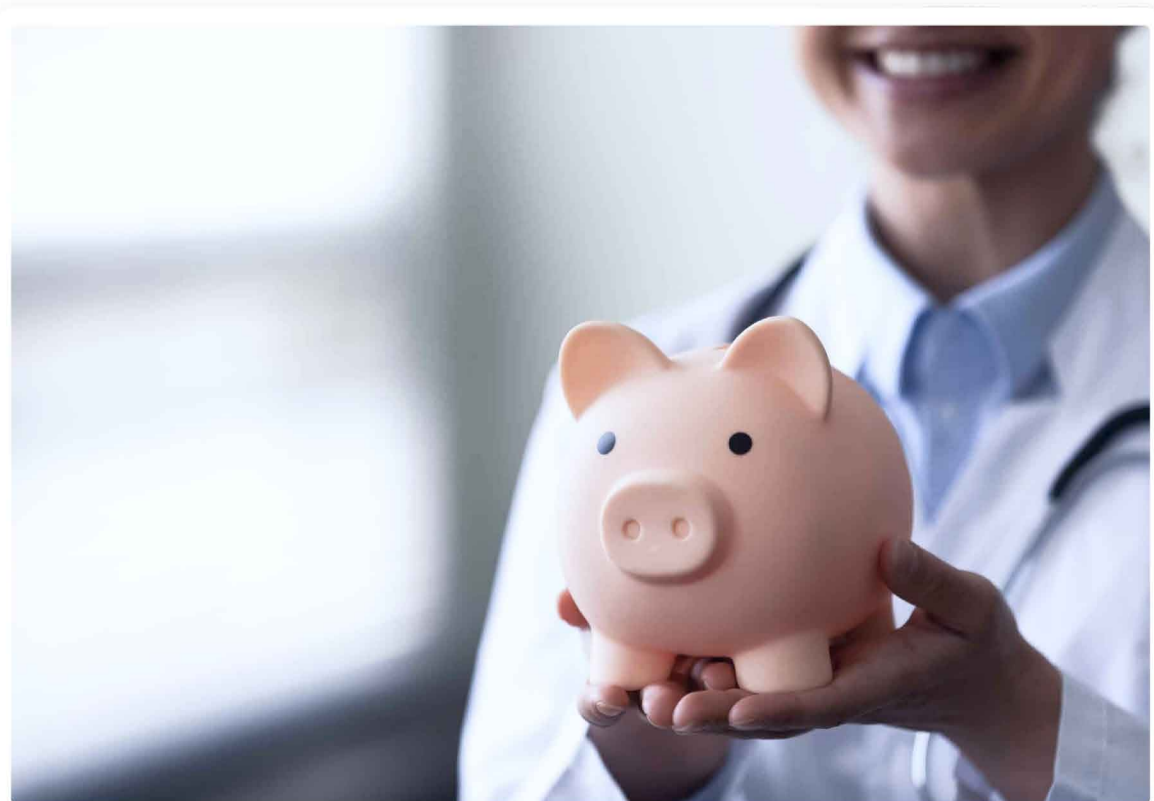

- Malta is currently one of the most prominent destinations to study English abroad! Even though Malta has its official language - Maltese, the establishment of the English language resulted from the influence of the British Empire and the EU.

Malta is a Member of the European Union

- Malta has been a part of the European Union since 2004. Island has the most significant number of English speakers outside of Great Britain and Ireland. It's one of the reasons why higher education in Malta is one of the most demanded in Europe. Moreover, its position in the Mediterranean Sea puts it hours away from other European countries. If you study in Malta, you can travel freely through the 28 European Union states at low prices.

High-Quality Education

- Malta's education system is favorable to international students because of its quality of universities and study courses. Students often stay in the country and work after graduation. Malta has some of the best higher education institutions for international learners. A university degree received in Malta opens a wide amount of career opportunities in the country and abroad.

Malta is Extremely Economical

- Unlike other English-speaking countries, it's affordable to live and study in Malta. However, the cost of living can differ depending on your lifestyle and where you choose to stay. Generally, the expenses run low on the island. Prices of accommodation and food are affordable, and students often get special deals.

Diverse Student Community

- If you want to live and obtain higher education in Europe, studying in Malta is a perfect choice. Firstly, it's the only English-speaking country in the European Union outside the UK and Ireland. Secondly, various students from different sides of the world are here already. Therefore, making friends in Malta will be much easier for international students. With the help of other international students, anyone can eventually adjust to their new environment. Consequently, Malta will turn out to be your second home.

HOW TO APPLY?

! We do everything possible to make the Admission Process as easy as possible! Follow the simple steps or contact us if you need any help to get admitted!

START PROCESS
→

Send the Documents and Get Admitted

Send us your documents via email or fax. You can also find the International European University website on the internet and Apply Online! The documents Required:

Passport (or any other ID document available)

Bachelor's Degree with transcripts (for PG students)

School Certificate

Filled Application Form

As soon as you are admitted we will send you the Invoice to cover your first-year tuition fees and the Admission Letter by email.

Get an Invitation Letter

If you have EU citizenship, there is no need to get the Invitation Letter. International students who don't have EU citizenship need to collect all the necessary packages of documents. **The documents required:**

▶ Copy of the International Passport

▶ Data Processing Agreement

▶ Application Form

▶ Receipt of Payment Covering the First-Year Tuition Fee

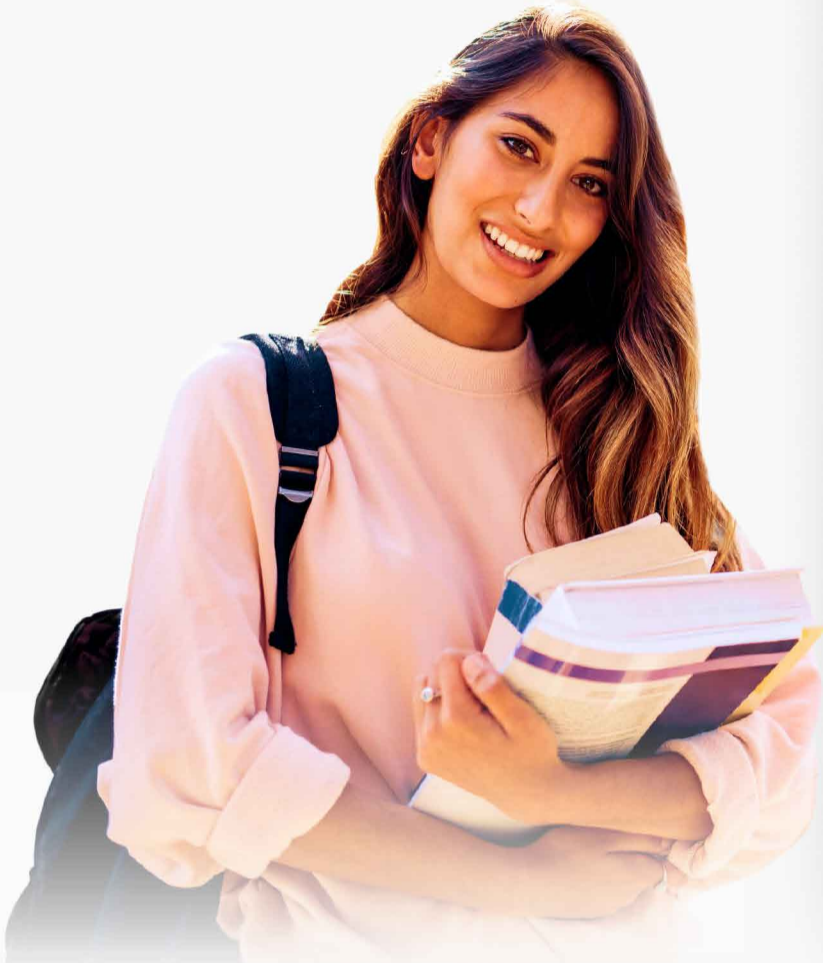

▶ Declaration on the observance of academic integrity by the student

Invitations to study will be issued within 7 working days after submitting all the packages of documents.

Obtain Study VISA

- ▶ If you have EU citizenship you do not need VISA to study in Malta! If you are a non-EU citizen, you must get a Student Visa at the nearest Maltese embassy or consulate.
- ▶ Note that students need to book an appointment at the Embassy, Consulate, or VFS office for Visa submission as soon as the tuition fee is covered!
- ▶ We will make the VISA Process fast and comfortable for you so you don't need to worry about missing a thing. We will help you collect all the necessary documents so you can get your VISA as soon as possible!

Arrive to Study

FINISH PROCESS

Once your Visa is obtained and the tuition fee is covered, it is advisable to purchase a flight ticket to Malta. Note that EU citizens do not need to obtain a Visa to arrive in Malta!

- ▶ Please, inform us about your arrival beforehand so we can arrange an airport pick-up. Kindly remember to send us a copy of your flight ticket by email and cover the remaining fees before your arrival. The representative of the International European University, Malta shall meet you at the airport and accompany you to the university campus. As soon as you arrive in Gzira we will help you to complete the documentation and registration process so you can successfully start your classes as soon as possible.
- ▶ With experienced university members and educators, innovative degree programs, and a global community of learners, we offer a unique academic experience to help you achieve your career goals. Don't miss out on the opportunity to broaden your horizons and take your first steps towards a successful future!
